Welcome Class of 2013!
From Delta Theta Phi Law Fraternity

On behalf Delta Theta Phi, it is my pleasure to welcome you to Drake Law School! I am incredibly excited to be starting another great year filled with Delt events, and I am even more excited to get to know all of you! Delta Theta Phi is the law fraternity here at Drake (think academic society, not animal house). Delt membership is open to all Drake Law students, and I would encourage you to consider joining.

In the coming weeks, you will learn exactly what it means to be a Delt. While some of you may already be familiar with our Thursday night “bar review” tradition, the Delts are much more than just a social organization. The Delts are truly the lifeblood of this school. Our motto is “we don’t succeed until we all succeed,” and we live up to it academically, professionally and socially. Through our academic seminars, peer mentor program, and comprehensive outline database, we do everything we can to prepare you for your first set of law school exams. Our fearless leader, Professor Albert, will help you craft your resume and find jobs in previously untapped markets. Most importantly, we give back to our community. Last year, the Delts raised thousands of dollars for charity through our numerous fun philanthropy events.

With more than two-thirds of Drake Law School as members, the Delts are the largest student organization apart from the SBA. Stop by our table at the organizational fair and come to our information session to learn more about joining the Delts, and how we “bring the fun” to Drake Law School! The Delt executive board and Professor Albert have a number of welcome events planned, so be sure to add the Delta Theta Phi TWEN page so you receive Delt e-mails, and go to www.drakelawdelts.org for pictures from Delt events and more information.

Good luck in your first week of classes, and please don’t hesitate to contact me if you have any questions!

Fraternally,
